

ArtiBro

Contributes to the maintenance of
Strong Bones & Joints

- **Maintains Elasticity**
- **Strength & Resilience of cartilage**
- **Provides healthy Joint Structure**

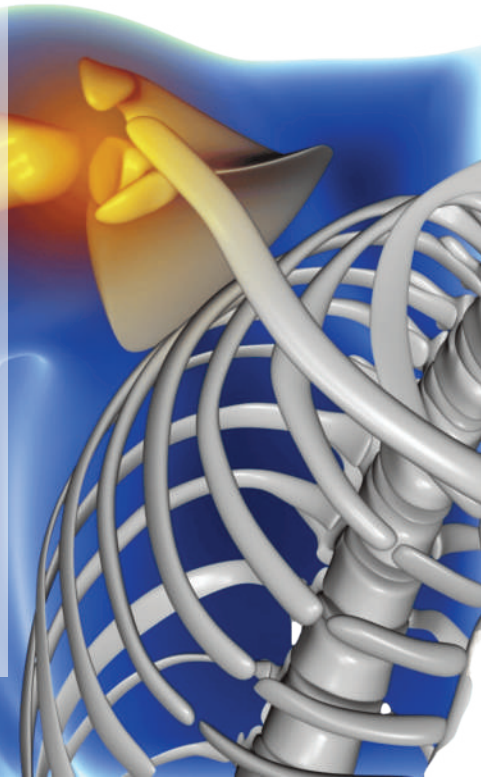

Dosage

**1-2 tablets daily
or as advised by physician**

EACH TABLET CONTAINS:

GLUCOSAMINE	500 MG
CHONDROITIN	400 MG
HYALURONIC ACID	55 MG
ASCORBIC ACID	100 MG
TURMERIC	100 MG
MANGANESE	2 MG

**Artibro: Nurturing Your Joints,
Embracing Mobility**

ArtiBro

Contributes to the maintenance of
Strong Bones & Joints

Support your joints with the power
of Glucosamine and Chondroitin
Sulphate in Artibro tablets.

Artibro contains nature's aid Glucosamine and Chondroitin, other essential nutrients and minerals, which provide amino sugars for regeneration and rebuilding of cartilage, are structural components of cartilage, the tissue that cushions the joints and help to maintain joint health by stimulating the uptake of water and nutrients into the cartilage.

The glucosamine and chondroitin complex helps support comfortable movement, reducing joint related problems like pain, swelling, stiffness, and redness.

Glucosamine sulfate is a component of glycosaminoglycans in the cartilage matrix and synovial fluid. It is suggested that glucosamine sulfate supplements are most effective when paired with chondroitin and methylsulfonylmethane (MSM).

Chondroitin sulfate might slow down the degenerating cartilage in joints and is often used together with other ingredients, including manganese, ascorbate, hyaluronic acid and collagen peptides.

Hyaluronic acid (HA) exists naturally as an important component of the extracellular matrix (ECM) in the human body and has been widely used in bone regeneration.

Enriched with **Vitamin C** for extra benefits as it contributes to normal collagen formation for the normal function of bones & cartilage. This claim is approved by the European Food Safety Authority (EFSA).

Vitamin C helps the two enzymes prolyl hydroxylase and lysyl hydroxylase stabilize which strengthens the collagen molecules in our body.

SUPPORT YOUR ACTIVE LIFE STYLE WITH ARTIBRO!
